

*Tim Flagler is the owner of Tightline Productions, L.L.C., a video production company located in Califon, NJ. Although Tightline produces video programs over a wide range of topics, their specialty is fly fishing. Almost every week they produce a new fly tying or "how to" video which appears not only on their Vimeo and YouTube channels but on Midcurrent and the Orvis fly tying blog as well. These videos often get picked up by other sites too, including Frankenfly, Chiwulff, The Limp Cobra, Globalflyfisher, Gink and Gasoline and Wideopenspaces, just to name a few. Many of the tying videos take the viewer well beyond just the tying of the fly and show what it looks like underwater, what natural it represents and how it can be fished.*

*Tim is also a fixture at the Fly Fishing Shows, giving presentations, teaching classes and often as a Featured Tier. He enjoys guiding year round for Shannon's Fly & Tackle in Califon, NJ.*
