

# HOUSATONIC RIVER CLEANUP

Saturday, May 14

This isn't a Long Island Fly Rodder Trip

The cleanup will be done by HFFA, LITU, CTU and LIFR and anyone else who wants to help clean up a great river.

There will be Bagels and coffee for club members at the meeting place on 684

The Long Island Fly Rodders will be supplying a BBQ lunch for all that help.

After lunch, the members of the Housatonic Fly Fishing Association will be pairing up with our members and showing them the river.

PLEASE SEND ME AN EMAIL IF YOU WOULD LIKE TO JOIN US
